Our websites use cookies, most browsers accept these cookies automatically. You may change your browser settings to erase cookies / prevent automatic acceptance and / or block cookies altogether. By continuing to browse our websites without modifying your browser settings, you are agreeing to the use of cookies

What are Cookies

Cookies are small pieces of data (text files) stored by visitor's browsers so that they can be

recognised between page requests. The cookies we collect are anonymous. We don't link the data to anything that identifies you such as your name, contact details or address.

What we use cookies for

Our cookies aren't used to identify you personally. They're just here to make the site work better for you.

The cookies we use are mainly session cookies, these are essential for our website to operate between page requests.

We don't use your cookies to created targeted advertising.

Types of Cookies we use

Necessary

Necessary cookies are required to enable the basic features of this site, such as providing secure log-in or adjusting your consent preferences. These cookies do not store any personally identifiable data.

Cookies	Duration	Description
__RequestVerificationToken	session	This cookie is set by web application built in ASP.NET MVC Technologies. This is an anti-forgery cookie used for preventing cross site request forgery attacks.
ASP.NET_SessionId	session	Issued by Microsoft's ASP.NET Application, this cookie stores session data during a user's website visit.
JSESSIONID	session	The JSESSIONID cookie is used by New Relic to store a session identifier so that New Relic can monitor session counts for an application.

WEBSITES COOKIE
